- *Structural Drawing Set, Hatch (26 June 2024)*

THE FOLLOWING CONDITIONS APPLY TO THIS PERMIT:

1. The permission granted for this permit will expire if one of the following circumstances applies: the permitted works have not commenced within two (2) years of the original date of issue of this permit, or are not completed within four (4) years of the original date of issue of this permit. Commencement of the permit begins with onsite physical works.
2. The Executive Director Heritage Victoria is to be given five working days' notice of the intention to commence the approved works.
3. Should further minor changes in accordance with the intent and approach of the endorsed documentation become necessary, correspondence and supporting documentation must be prepared and lodged in accordance with the permit condition for endorsement by the Executive Director Heritage Victoria. If the Executive Director considers that the changes are not minor, an amendment to the permit or a new application will be required.
4. Prior to the commencement of any of the works approved by this permit, a suitably experienced heritage consultant, approved in writing by the Executive Director Heritage Victoria, must be engaged to advise and assist as necessary with the preparation of the documentation where any intervention to built fabric of heritage significance is involved and to provide relevant conservation advice to the permit holder during the carrying out of those works. In particular the heritage consultant must help fulfil conditions 5, 6, 7, 8, 9 and 10.

5. Prior to the commencement of any of the works approved by this permit, a Heritage Protection Plan must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the Heritage Protection Plan will be endorsed and will then form part of the permit. The Heritage Protection Plan must include a sequencing program for the approved works, details of any temporary infrastructure and services required, protection methods for the heritage place during the undertaking of the works, a work site layout plan and a tree/vegetation management and protection plan prepared in accordance with AS4970 *Protection of trees on development sites* (if required). The Heritage Protection Plan must also include a dilapidation report (including images) for the heritage structure to record its condition prior to the commencement of works approved by this permit.
6. Prior to the commencement of any of the works approved by this permit, a report prepared by a suitably qualified Structural Engineer, must be submitted to the Executive Director Heritage Victoria for approval. Once approved, report will be endorsed and will then form part of the permit. The report must demonstrate the means by which the retained portion of the heritage structure will be supported during demolition and construction works to ensure its retention. The drawings must be prepared by a heritage structural engineer approved in writing by the Executive Director Heritage Victoria.
7. Prior to the commencement of any of the works approved by this permit, a construction ready (marked as such) set of drawings, must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the drawings will be endorsed and will then form part of the permit. The drawings must be prepared by the heritage structural engineer approved in writing by the Executive Director Heritage Victoria under condition 6.
8. Prior to the commencement of any of the works approved by this permit a methodology including a brief scope of works and descriptions of the proposed materials and techniques to be used in relation to the heritage fabric must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the document will be endorsed and will then form part of the permit.
9. Prior to any brick repairs or conservation works, a specification for these works must be submitted to the Executive Director Heritage Victoria for approval. These works must include the appropriate removal of non-original paint.
10. Following the completion of works, including the brick conservation works required under condition 9, the approved heritage consultant must submit to the Executive Director Heritage Victoria, for their approval, a brief written report confirming that the conservation works have been completed and the extent to which the completed conservation works conformed to the endorsed documents in this permit.
11. Approved works or activities are to be planned and carried out in a manner which prevents damage to the registered place/object. However, if other previously hidden original or inaccessible details of the object or place are uncovered, any works that may affect such items must immediately cease. The Executive Director Heritage Victoria must be notified of the details immediately to enable Heritage Victoria representatives to inspect and record the items, and for discussion to take place on the possible retention of the items, or the issue of a modified approval.
12. All works must cease, and Heritage Victoria must be contacted if historical archaeological artefacts or deposits are discovered during any excavation or subsurface works.

13. The Executive Director Heritage Victoria must be informed when the approved works have been completed.
14. The works approved by this permit must be carried out in their entirety unless otherwise agreed in writing by the Executive Director Heritage Victoria.

**NOTE THAT PERMISSION HAS BEEN GIVEN FOR INSPECTIONS OF THE PLACE OR OBJECT TO BE UNDERTAKEN DURING THE CARRYING OUT OF WORKS, AND WITHIN SIX (6) MONTHS OF NOTIFICATION OF THEIR COMPLETION.**

**TAKE NOTICE THAT ANY NATURAL PERSON WHO CARRIES OUT WORKS OR ACTIVITIES NOT IN ACCORDANCE WITH THE PERMIT OR CONDITIONS IS GUILTY OF AN OFFENCE AND LIABLE TO A PENALTY OF 120 PENALTY UNITS (\$23,710.80 FROM 1 JULY 2024) OR IN THE CASE OF A BODY CORPORATE 600 PENALTY UNITS (\$118,554 FROM 1 JULY 2024) UNDER s104 THE HERITAGE ACT 2017.**
